GOLF RESORT
BAD GRIESBACH

THE BAD GRIESBACH GOLF SCHOOL

02

Do you want to learn how to play golf? Or improve your skills? Then you've come to the right place! Since 2014, we are a "PGA Premium Golf School". This seal of approval from the German Professional Golfers' Association certifies that we offer the highest quality, both in terms of teaching and golf instructors. Our highly trained pros

offer classes for every level of play: Beginner, golf licence, technique and special classes. You can find an overview of our classes for adults on pages 11 to 26. Naturally, you can also book individual coaching lessons or accompanied rounds of golf.

OUR TEACHING SYSTEM

“THE GRIESBACH METHOD”

The Quellness & Golf Resort has a unique reputation in Europe not just because of its size. Behind its professional coaching lies a unique teaching system: the so-called Griesbach Method. It is based on the “Universal Golf Learning System”, which was developed over several years of collaboration with Professor Manfred Grosser.

The sports scientist defines the golf swing as a completely natural pendulum swing that develops from a small to an ever-increasing movement. In this way, beginners can learn all golf movements quickly, carefully and while having plenty of fun. By using the physical pendulum and with the help of kinaesthetic exercises, beginners, advanced and top players get a new feeling for balance, body and swing progression which has been proven to optimise the flow of the game.

Even in the case of physical impairments such as joint and muscle problems, back pain or after an operation, the Griesbach method will help you to continue or resume your sporting activities. And, with excitement instead of pain!

ROLF
BECKER

Rolf Becker was practically born into the game of golf: He grew up only about 100 metres from the first tee in Cologne-Marienburg. His father was also a golf instructor. He completed his three-year apprenticeship at the German PGA in Hubbelrath, and his two-year assistantship in Cologne-Marienburg. His first positions as a pro were in Cologne, Zievel Castle in the Eifel and the five-star Hotel Vila Vita Parc in Portugal. He has been working at the Quellness & Golf Resort since 1998. His favourite hole is the 12th in Uttlau, his favourite player, Ernie Els.

LARS
CULMANN

C- and B-trainer, instructor, Fitting Pro, rules evenings

Lars Culmann has been a Fully Qualified Professional with the German PGA since 2007. He completed his training at the Golf Resort Bad Griesbach. During seminars held by the German PGA, he furthered his education covering a wide range of golfing topics. His students include bambinis (3 to 6 yrs), children and juniors, teams, seniors and recreational golfers of all ages. Personally, he still enjoys playing golf and when time allows, he participates in pro-am events in Bad Griesbach, but also abroad.

BERNHARD
FANKHAUSER

Fitting Pro

Clubs, shoes, balls – Bernhard Fankhauser is our expert when it comes to equipment. For over 15 years, he has managed our golf equipment shop at Golfodrom® – and he knows what golfers need. Bernhard Fankhauser has been playing golf since 1979. He completed his training as a PGA Pro at the Golf Resort Bad Griesbach from 1991 to 1993. In 1994 he qualified as a Fitting Pro and passed the PGA diploma exam in 1995. He also trained apprentice golf instructors until 1999.

CHRISTOPH
KÖGLMEIER

C- and B-trainer

He was the 2019 Teaching Professional Champion of the Quellness & Golf Resort and participated in German and Bavarian Teaching Pro Championships. As an amateur, he also competed in German and Bavarian championships and was one of the 100 best handicappers in Germany in 2003/2004. Christoph Köglmeier completed his training as a Fully Qualified PGA Golf Professional at the Golf Resort Bad Griesbach and has been working here as a Pro since 2011. His favourite course at the resort is the 12 at Uttlau: a beautiful view from the tee as well as a peninsula green. Playing a round with Bernhard Langer one day would be a dream come true.

Jeremy also owns a Foresight Sports GCQuad Launch Monitor which he can use during lessons.

SIMON
TINKER

Simon Tinker had already completed his education as a Golf Professional at the young age of 21. The milestones of his professional career included three golf clubs in England (Bradley Park, Baildon GC and Shipley GC), as well as Kitzbühel (Rasmushof) in Austria and, since 1991, Bad Griesbach.

MARTIN
TROST

German PGA G1 Professional, B-trainer licence

At the age of 16, he took part in an introductory course during the school holidays – he has been playing golf ever since. Martin Trost has been working at the Golf Resort Bad Griesbach since 1997 but has also spent many weeks in Switzerland working as a golf instructor. His favourite hole is the 2nd in Uttlau because he has scored an albatross (“double eagle”) here once. He would love to play a round with Rory McIlroy.

SIMONE

Our lady on the tees: Simone Uka caught the golf bug back in 1990 and, as a local, has been with the Golf Resort since the very beginning. She played in the Bad Griesbach youth team and subsequently completed her training as a golf instructor. Simone was a golf instructor at the Leading-Golf-Courses-of-Germany-Club Beuerberg for almost ten years. She made the Quellness & Golf Resort her home again back in 2014 and is bookable for ladies' classes, the new children's class "Exclusive" and for individual lessons. Together with Denis Prössel, she also leads the successful children's and youth training of the Bad Griesbach Junior Section.

His greatest sporting success was winning the Bavarian Golf Teachers' Championship in 2009 and the Bavarian Foursome Championship in 2010. His favourite hole at the Quellness & Golf Resort is the 12th on the Uttlau course. He would love to play a round of golf with Tiger Woods.
